c. ██████████ requested that he be granted a further extension of employment until 31 December 1968 on the basis of financial hardship. The Director of Security and the Deputy Director for Support have stated that they cannot justify an exception to the Agency retirement policy based on the needs of the Security Career Service and that ██████████ is, in effect, blocking the career progression of other deserving employees. The Board was unanimous in concluding that based on the information submitted in this case there was not sufficient justification to recommend approval of extension of ██████████ employment. The Board recommended that ██████████ should retire in accordance with Agency policy as scheduled. 25X1A9a
